## Product families

| Family | Guide |
| --- | --- |
| TECO Open Drip Proof (ODP) | Read product guide |

## Choose the right variant

Match the required output power to the exact model, speed and duty. A family listing may include other power ratings. Confirm supply, mounting and operating conditions in the individual product guide.

This page lists families associated with the selected catalogue filter. Use the individual model’s datasheet, drawing and manual to confirm its suitability.

## Talk to our team

Share your model code, application and operating requirements. Contact our Australia and New Zealand team for selection support.
