Family	Guide
Advanced Current Vector Control A510s	Open official TECO product page
Next Gen Compact Current Vector Control E710	Open official TECO product page
General Current Vector Control E510s	Open official TECO product page
Compact Basic Vector Control L510s	Open official TECO product page

Choose the right variant

Confirm the enclosure rating of the selected variant and configuration. An IP classification alone does not establish hazardous-area approval, chemical resistance or suitability for every outdoor installation.

This page lists families associated with the selected catalogue filter. Use the individual model’s datasheet, drawing and manual to confirm its suitability.

Talk to our team

Share your model code, application and operating requirements. Contact our Australia and New Zealand team for selection support.
